Sunday school is an exciting ministry that is entirely dependent on the hands-on support of parents and young adults. Below are a couple of requirements necessary for your child's safety.			
One parent or guardian is asked to be present with their child for these outside events.			
Children, age 5 and older, and adults, must wear a face mask. Exceptions will be discussed in advance.			
Covid 19 keeps us on our toes. Please stay in touch with the church for our opening date when we can meet in person!
